# SUCCESSFUL WEEKEND

How do you measure whether a weekend is a success?

- ▶ Close to 50% of the club attended
- ▶ Catered lunch thanks to Darren, Ruth and Lynn
- ▶ Everyone had a go and enjoyed the banter and company
- ▶ Sensational weather
- ▶ No injuries or sunburn or did someone have a close encounter with a carving knife?
- ▶ Shared information on flies, techniques and locations
- ▶ A number of fish caught including salmon, luderick, pike and flathead
- ▶ Lastly and most appreciated was the excellent organising that Darren has achieved to ensure all attending got the most out of the trip and went home happy.
